and parents must remove outdoor shoes upon arriving at NG. Children's outdoor shoes can be left at the bottom of the cubbies each day as they will be used when the children go outside.

- Indoor shoes should remain at the school and be sure to change out this footwear as the child's feet grow.
- Each child in diapers should arrive with a supply of diapers and a container of wipes that are labeled with their first and last name. Any creams you would like to be applied to your child may be left at NG and must also be labeled with your child's name.
  - If your child uses cloth diapers, please bring in a supply for the entire day and resealable bag for the soiled diapers. Soiled diapers will be sent home each day to be washed. Please pack enough outer linings for the day (we must replace the entire diaper).
- Please send in two or three burp cloths/bibs of each for your child to use at NG. Please be sure to label them with your child's first and last name.
- Please send in as many bottles (prepared or empty (formula) depending on what your child is drinking) as your child will need for the day. We will wash (dishwasher) or sanitize (bottle sanitizer) the bottles each day and you can leave them at NG for your convenience. All bottles must be labeled with your child's first and last name.
- If your child drinks formula, please bring in powdered, concentrate or ready to pour a bottle of formula for the teachers to use to prepare your child's bottles. Please only send in unopened containers labeled with your child's first and last name.
- If your child drinks breast milk, please send in thawed or expressed milk in labeled bottles ready to be consumed each day. We request that an extra serving of labeled (first name, last name date and time expressed) and dated supply of frozen milk be left at NG to be placed in the freezer for use if needed.

- Families with infants over 6 months to 12 months can elect to bring what their child needs for meals for the day in a lunch box. Homemade baby food should be thawed and in containers ready to be served. If warming is required for baby food, please be sure the food is in a glass dish with a watertight cover. (Infants and young toddlers will be fed according to their schedule). The lunchbox must be insulated, and have your child's first and last name on it, and will be stored in the refrigerator. A thermos is a great way to keep food warm from home.
- If your child is not participating in the provided lunch program, please provide enough food for your child for morning snack/breakfast, lunch and afternoon snack. If warming is required for any food, please be sure the food is in a glass dish with a watertight cover. The lunchbox must be insulated, and have your child's first and last name on it, and will be stored in the refrigerator. A thermos is a great way to keep food warm from home.
- **Please be sure to label all items that belong to your child(ren).  
Please label all items with your child's first name and last name.**
